Legendary History.

Reata, Spanish for "rope" is named aftter the majestic ranch in the 1950's classic "Giant," starring James Dean, Rock Hudson and Elizabeth Taylor. Based on Edna Ferber's famous novel, this legendary movie embodies the strength, spirit and excitement of the wide-open west.

The first Reata Restaurant came to life when a hungry West Texas rancher had a hankering for a meal as bold as the Texas landscape itself. Al Micallef, owner of the CF Ranch, took his cravings to heart, partnering with Fort Worth businessman Mike Evans to open Reata's first location in Alpine, Texas, in 1995. The success of this original location inspired the opening of a second Reata in Fort Worth in 1996, where it quickly became a local icon. After weathering one of the most destructive tornadoes in U.S. history, Reata reopened stronger than ever in downtown Fort Worth in 2002. For more than two decades, it has been our privilege to serve locals and travelers alike, sharing meals that celebrate the spirit and flavors of Texas.
