⊗ Reata Signature Dish

Legendary History.

Reata, Spanish for “rope” takes its name from the majestic ranch in the classic 1950’s epic movie “Giant,” starring James Dean, Rock Hudson and Elizabeth Taylor. Based on Edna Ferber’s novel, the film captures the strength, spirit and untamed beauty of the wide open west, qualities that continue to inspire everything we do.

Reata began with a simple craving, one West Texas rancher’s pursuit of a great meal that became a restaurant in Alpine, Texas in 1995. A year later, Fort Worth welcomed its own Reata, and we’ve been proud to be a part of this city’s story ever since. More than a restaurant, Reata embodies the soul of Fort Worth. Though our address may change, our roots remain firmly planted in Texas. Shaped by our guests and guided by a long tradition, we remain committed to creating many more unforgettable meals in the heart of Cowtown.

We’re glad you’re here.
Welcome to Reata.
